OFFICE OF PETITIONS

2. I hereby state:

(a) The Notice to File Missing Parts indicated, as mailed on October 18, 2001, was not received.

(b) A search of the file jacket and the docket records in my office indicates that this Notice to File Missing Parts was not received.

3. It is the practice of my office to photocopy the first page of all correspondence from the Patent and Trademark Office (PTO) relating to patent matters before the correspondence is given to the paralegals for docketing; these photocopies of the first pages are then distributed to all the patent attorneys in the firm, including me, so that we may be immediately aware of actions taken by the PTO. I do not recall seeing any photocopy of this Notice. Similarly, the paralegals in charge of docketing do not recall seeing this Notice, and thus it was not docketed.

4. I attach a copy of the docket record where the non-received Notice to File Missing Parts would have been entered had it been received and docketed. Although you will note the notation of "Missing Parts to cl?" on page 2 of the Prosecution History, this entry is computer generated from the application filing date in order to ensure that a Combined Declaration and Power of Attorney is forwarded to the client for execution in anticipation of receipt of the Notice to File Missing Parts. This notation does not indicate that the Notice was received.

5. In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn.

6. The petition fee is paid as follows:

Enclosed please find a check for \$130.00.

Please charge Account No. 19-4972 for any fee deficiency or credit this account for any overpayment for this petition.
